Creation Of County Park At Beach In Torrance Seen In Purchase Move

That the entire Torrance beach area together with a portion of Redondo Beach adjoining Torrance soon will become a county park, was indicated by action of the Board of Supervisors recently.

Santa Claus Needs Helpers In Toy Dept.

Santa Claus is calling for helpers! He wants to start a toy repair shop in Torrance—will you help him?

The plan for a toy repair shop is being sponsored by Roy Winters of the Torrance Fire Department, at the request of the Torrance District Welfare Council. He would like suggestions as to where the Toy Shop could be located, and also would like volunteers for the repair of toys. The plan is to ask the public to donate used or damaged toys, to be put into shape for distribution to needy children.

This project is under the direction of the Christmas Committee, headed by Rev. Ben Lingenfelter. This committee also is arranging a registration bureau for the names of needy families, at Christmas. Anyone wishing to report the names of needy families, or a Christmas dinner is requested to phone, Torrance 1405.

Assisting Rev. Lingenfelter on the Christmas Committee are Miss Esther Maxwell, Mrs. Helen Miller, Mrs. Frank Church, Roscoe Sevier, and Mrs. Barbara Hoblitt.

Sappenfields Guests On 25th Anniversary

By MILDRED HUNT
 Mr. and Mrs. L. A. Sappenfield, former residents of Torrance, celebrated their silver wedding anniversary with a family dinner at Lucas restaurant Saturday evening.

During the dinner the orchestra played "Love You Truly" in their honor, which was one of the songs played at their wedding, which took place Nov. 9, 1921, in Kansas City, Mo.

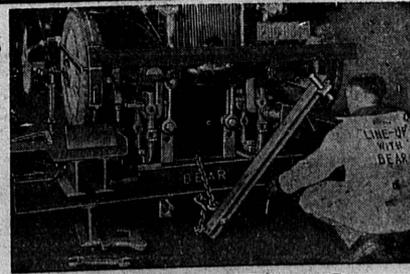

Attending the celebration were Richard L. Parker and Miss Bunny Lingenfelter, whose marriage will take place Saturday, Nov. 16, at the First Congregational church, Los Angeles. Mr. Parker is a nephew of Mrs. Sappenfield.

One of the many silver gifts received by the couple was a silver dollar bearing the year of their marriage, which was presented by a sister who lives in Kansas City.

Following the dinner, Mr. and Mrs. M. C. Miller, 1572 W. 218th st., hosted a reception in the couple's honor which was attended by Mr. and Mrs. Oscar Carter and Mr. and Mrs. E. J. Tarwater. Mrs. Sappenfield was very active in Red Cross work at the Torrance Center during the war. Mr. Sappenfield is a former employee of the National Supply Co. They now reside in Long Beach.

HARD ON ANIMALS

Straight oil solutions of DDT are readily absorbed by the skin, and for that reason scientists of the University of California College of Agriculture do not recommend them for use directly upon animals.

Torrance YWCA Group Makes Plans To Undertake Work Under Secretary

Hope for a Young Women's Christian Association in Torrance moved a step ahead last Friday afternoon when three members of the San Pedro YWCA staff met with the Torrance board, which has been appointed to set up the organization here and prepare for the coming of a full time secretary.

Salary for a full time worker in Torrance has been included in the budget which the San Pedro YWCA is submitting to the Miss Helen Mummy, executive director of the San Pedro association. Favorable action has been requested in a letter which the Torrance board has sent to Lynn D. Mowat, general manager of the Los Angeles Commu-

nity Welfare Federation, and it is hoped that the funds will be available early next year.

In the meantime plans are being laid by Torrance women, so that all will be in readiness to launch the program when the YWCA secretary is appointed to Torrance.

By a unanimous decision at the Friday meeting, it was agreed to concentrate the association's resources at present on activities for girls from 18 to 30 years of age. Such activities may range all the way from athletics and crafts to interest and study groups, according to the desires of the girls, but will certainly include many social affairs as well.

To facilitate the setting up of the YWCA program, the Junior Woman's Club has made available a fund well in excess of \$500, to be used for supplies, equipment and publicity. It is also expected that another queen contest in the spring will swell the YWCA building fund which the Juniors inaugurated last spring with the \$3,000 raised by their first contest.

Leaders in the movement to bring the YWCA to Torrance point out that the best way to insure a full time worker by early spring is to put Torrance

Six Youths Found Guilty Of Paint Bomb Toss

Six teenage boys, all living in the county and shoeing strip east of Torrance, were apprehended by local police last week for malicious mischief. Included among other acts charged against the boys was the throwing of paint bombs last Halloween night against the homes of James Burchett, 1509 El Prado and Miss Sara Vauhel, 2111 W. 218th st. Both are Torrance high school teachers.

They were found guilty Friday in City Court of the malicious mischief charge and placed on probation by City Judge John Shidler. The judge ordered the youths' parents to make good the \$200 damage caused the teachers.
